Education

Charotar University of Science and Technology

2023 – Current

Devang Patel Institute of Advance Technology and Research, B.Tech in Computer Science

CGPA: 8.64 (4th Semester)

Experience

Alight Consultants Private Limited

May 2025 – June 2025

Full Stack Developer Intern

Ahmedabad, Gujarat

- Developed and maintained web application components using ASP.NET Core MVC, improving backend efficiency and UI consistency through clean architectural patterns.
- Wrote C# logic for handling data operations and integrated ADO.NET to perform database connectivity and execute SQL commands for dynamic data interaction. .
- Used HTML, CSS, and JavaScript to create intuitive and user-friendly interfaces without relying on external UI libraries, ensuring maintainable and lightweight front-end development.

Projects

Stocker - Inventory and Billing Management System | HTML, CSS, JS, SSMS, ASP.NET Core

May 2025

- * Gained hands-on experience with ASP.NET Core for building scalable, maintainable web applications using the Model-View-Controller design pattern.
- * Learned and applied C# programming for backend logic, data handling, and integration with web components.
- * Used HTML, CSS, and JavaScript to build clean and user-friendly interfaces without relying on external UI libraries.
- * Used ADO.NET to establish database connections and execute SQL operations within a .NET environment.

Paw Portal – Animal Welfare Management Platform | HTML, CSS, JavaScript

January 2025

- * Worked as a Frontend Developer to design and build user-friendly interfaces for features like pet adoption, donation, and volunteer registration.
- * Used HTML, CSS, and JavaScript to create clean, accessible, and responsive UI components tailored for both public users and registered members.
- * Collaborated with backend developers to integrate dynamic content and form submissions, ensuring a seamless and interactive user experience.

Technical Skills

Languages: HTML, CSS, JavaScript(Basics), C++, C Sharp(Basics), SQL
